Auction Process

REGISTER

Once the list of assets is received by Infra Bazaar, we segregate them into lots and prepare a catalogue for easy understanding. Meanwhile, the list is also uploaded on our portal with photographs and additional details for a fair insight on the condition of assets listed on the auction. Bidders are requested to register themselves for auction based on their interest just by filling up a form and undergoing KYC verification.

EMD & INSPECTION

Once the bidder is registered, we request them to deposit EMD prior to Inspection. This EMD is used as a security deposit and is refundable under defined conditions. DDs (Demand Drafts) favoring Asset seller and Infra Bazaar are collected, post which we schedule your inspection at the site and coordinate accordingly.

PARTICIPATE & BID

Post Inspection you will be guided through the online auction process. On the day of the auction, your bids are registered and monitored from time to time. If you are among H1 (First Highest Bidder) or H2 (Second Highest Bidder) your EMD is kept on hold until we receive approval from Asset Seller. Rest Bidders' EMDs are returned to their respective addresses.

PAY & COLLECT ASSETS

As per the approval received from Asset Seller pertaining to individual lots, respective bidders are requested to proceed with the payment and undergo all the documents transfer. Based on the approval received for delivery, finalized bidders are requested to arrange a delivery agent by themselves and get the asset shifted from the site.
